## About Us

Ege Gıda started its commercial life in Çine district of Aydın province by **RECEP EGE** in the year 1996. Ege Gıda, whose priority is product quality and customer satisfaction, has been operating mainly for olive exportation since its establishment with **SOLENA** and **OLIVETIME** brands.

In the last 26 years, it has become a well-known and trusted company in most of the Balkan Countries, especially in Romania.

In the recent years , it has widened its product varieties with dried figs and dired raisins.

It is a pioneering and reliable organization bringing in many new principles in its sector.
